SUMMARY

As a tech enthusiast and recent graduate, I've been actively building my expertise in Python, Flutter, and UI/UX. I'm excited by the fast-paced nature of software development and the chance to work on real-world problems. I look forward to joining a team where I can learn, contribute creatively, and grow into a well-rounded developer.

WORK EXPERIENCE

Flutter Developer (SDE), Sas Estetica solutions private limited (Current) Oct 2025

- Building and maintaining a SaaS mobile app using Flutter with Riverpod and REST APIs.
- Implementing modular architecture and clean navigation for scalable development.
- Managing internal app testing and distribution through deployment platforms.
- Resolving bugs regularly to ensure a stable and smooth application experience.
- Created and Maintaining API documentation in Notion to support other teams effectively.
- Enhancing UI/UX with soft animations, smooth loading states, and user feedback.
- Using AI tools like Cursor for faster, efficient, and safe development workflows.
- Experimenting with automated workflows wherever required and possible.
- Learning new Flutter practices and technologies from peers and external sources.
- Maintaining clean, organized, and well-documented code daily.

Flutter Developer Intern (SDE), CyberMyte Technology Solutions (7 Months) Oct 2024 - Apr 2025

- Developed and optimized Flutter IOT app, including authentication, UI/UX, and Firebase integration.
- Built metrics dashboards with charts, improved backend logic, and enhanced app performance.
- Worked mainly on realtime database, authentication and firestore database.

EDUCATION

Bachelor of Technology, Information Technology Sep 2021 - Apr 2025

Anurag University

- CGPA: 8.22 / 10

Intermediate, Science Stream (MPC) Jun 2019 - Mar 2021

Sri Chaitanya Junior Kalasala (TSBIE)

- Percentage : 91.8 %

Xth Jun 2018 - Mar 2019

Kakatiya Techno School, Hyderabad (SSC)

- CGPA : 8.7 / 10

PROJECTS

TUVO Ticket Booking Platform (Freelance Web Project) June 2025

Project Link : <https://www.tuvo.in/>

- Engineered a full-stack Next.js 15 ticket booking platform with event discovery, bookings, and a role-based admin dashboard.
- Implemented secure PayU payments end-to-end with server verification, PDF tickets (QR codes), and automated email receipts.
- Built a responsive, accessible UI with TypeScript, Tailwind, Radix; integrated Supabase auth and deployed to Vercel.

Project Link : <https://github.com/BhanuPrakashChintal/TravelTogether>

- Built Travel Together, a smart travel app with AI-powered itinerary planning and real-time geolocation navigation.
- Designed an intuitive UI with a user-friendly admin panel and secure backend using Firebase.
- Aggregated data from multiple sources to highlight hidden gems and ensure seamless travel planning.

RESEARCH PAPER

Anurag University

Apr 2025

- Developed a prototype for a decentralized cloud storage system integrating Blockchain, Pinata and IPFS to enhance data security, privacy, and resilience. Demonstrated significant improvements over traditional cloud storage in terms of security, immutability, and scalability.
- Published Link : https://papers.ssrn.com/sol3/papers.cfm?abstract_id=5142864

AWARDS & SCHOLARSHIP

- Got Telangana State Post Matric Scholarship (TS EAMCET) for Undergrad education for 4 years (from 2021 to 2025)
- Won First Prize for the project (Heritage Hues) in the University level project Expo. (2024)

ACHIEVEMENTS

- Led the CodeChef Chapter and contributed to the GeeksforGeeks Student Club as a Technical Team member, where I helped develop the university's Club website and organized coding workshops.
- Actively participated in the "iTechnoz" Technical Club, organizing and managing various technical events and hackathons on campus.

WEB LINKS

- **Credly** : <https://www.credly.com/users/bhanu-prakash.2e00a257>

ADDITIONAL INFORMATION

- **Technical Skills**: Python, DSA, Dart, Flutter, **AWS Migration and Foundations**
- **Languages**: English, Hindi, Telugu
- **Certifications**: CISCO NETACAD : PYTHON 1&2, **AWS Academy Graduate - Cloud Foundations**

PERSONAL INTERESTS / HOBBIES

- Watching Tech conferences and Keynotes, launch events of Tech companies
- I like reading theoretical physics and Cosmology Books.

DECLARATION

I, hereby, declare that all the information stated above is true and accurate to the best of my belief.

(Chintal Bhanu Prakash)
